## Call for Poster Sessions: *Hydrogeology Focus*

We are excited to invite students to participate in poster sessions at our upcoming Western Groundwater Forum. This is a unique opportunity to showcase your research, projects, and innovative ideas related to water resources and subsurface processes.

### Who Can Participate?

Undergraduate and graduate students from all disciplines are welcome, especially those working on topics related to:

**Groundwater flow and  
contamination**

**Aquifer characterization**

**Water resource management**

**Hydrogeochemical processes**

**Climate impacts on groundwater**

**Modelling and field studies**

### Why Participate?

**Share your work with peers and  
experts in hydrogeology**

**Gain feedback and insights**

**Network with professionals  
in water science and sustainability**

### Submission Guidelines

Abstract Deadline: April 15, 2026

Poster Size: TBA

Format: Printed Poster

### How to Submit:

Send your abstract to:  
[dana@westerngroundwaterforum.com](mailto:dana@westerngroundwaterforum.com)  
by *April 15, 2026*.

**Submit Now**

### Conference Venue:

Grey Eagle Resort & Hotel  
3777 Grey Eagle Drive, Calgary, AB T3E 3X8
